

Legacy Campaign Update

Msgr. Knueven recently sent letters to parish members who had not yet returned their pledge. This reminder is generating additional responses. If you are among those to receive this letter, please respond generously and as soon as possible. 100% participation remains both our goal and our need. Remember, "It is not equal gifts, but equal sacrifice."

To date, 492 cards have been returned with pledges of \$6,505,480. Of this, \$2,242,580 has been received. With total assets, we have over \$8,000,000!! We are very appreciative of those who have given so generously to our campaign.

Parish leadership is in the process of contacting our current architect as well as several others to further define construction and refine the cost estimates. Many feel the original estimate of \$15 to 20 million may be disproportionate when compared to other recently constructed churches and schools.

Keep the Legacy Campaign and our parish in your prayers.
